**LOC8TOR**<sup>TM</sup>  
Don't lose it, locate it!

# Never lose or anything ever

**Loc8tor is a superb new product that does exactly what it says - Locates**

**It enables you to find your lost items and can even Alert you as soon as any child, pet or other item goes out of your preset invisible boundary.**

## **What's so special ?**

- Helps you find your mislaid possessions quickly and easily
- Unique directional capabilities  
Handheld guides you which way to walk
- Small and lightweight tags (5 grams). Attach in seconds
- Great range - expect between 100-600ft (30-183m) depending on environment
- Alert mode immediately warns if a pet, child or valuable leaves your preset invisible boundary
- Panic Tag enables a child or dependent to call for help
- Tags gives off audio beep and flashing light to help locate
- Works through doors and walls
- Easy to use - set up in seconds

The Loc8tor models have two main functions - *Locate* and *Alert*.

### **Locate (both models)**

Helps you find any item you have tagged. All you have to do is select the item you need to locate and the directional audio and visual cues from the handheld will guide you to within one inch of it.

Locator works indoors or out, in complete darkness or in a noisy room. It's easy and quick to use.

### **Alert ( Loc8tor Plus )**

Enables invisible boundaries to be set for each Tag. Immediately activates an alarm if the Tag goes outside of the preset safety zone.

### **Homing Tags**

Attaches in seconds to any item you want to protect. Used to Locate and Alert\*  
(\*with the Loc8tor Plus)

### **Panic Tags**

Ideal personal alarm for a child or dependent. Just press the panic button to activate an alarm on the handset immediately identifying the person who needs help.  
Can also be used in Locate and Alert Mode.  
(Only available with Loc8tor Plus)

# misplace again!

...find them  
instantly...
